This desert road draws every step I roam on endless
sands
Fables of treasures told have kept me in foreign lands

The mirage I made
Veiled Your face
I counted the loss
The mirage I made
Veiled Your face
I counted the loss

I cried an ocean today
Just to sail on rains of love
I have this homage to pay
And it's taking me where You are
All of these moonless nights
Have ransomed moments by Your side
You're home for the gypsy heart
You're home for the gypsy heart

This forest, emerald green
My refuge in it's canopy
When evening falls the stars
Won't shine through
This cloak of leaves

The path I paved
Veiled Your name
And regret is the cost

I cried an ocean today
Just to sail on rains of love
I have this homage to pay
And it's taking me where You are
All of these moonless nights
Have ransomed moments by Your side
You're home for the gypsy heart
You're home for the gypsy heart

There's a river of faith winding
Back to Your name
There's a mountain of faith climbing

Back to Your name
There's a river of faith winding
Back to Your name...

I sail on the rains of love
I have this homage to pay
And it's taking me where You are
All of these moonless nights
Have ransomed moments by Your side
You're home for the gypsy heart
You're home for the gypsy heart
