#### Verse1

I could see if I'd done something noble, incredible or  
simply wonderful  
Then I'd understand just why you care for me  
Saved a child from a building on fire then fed all the  
hungry supplied their needs  
Then maybe it would make more sense why you dared  
to love me. But...

#### Chorus:

I can't figure out this love thang though we've talked  
about it all before.  
But the truth about this love thang no one else can love  
me more.

#### Verse2:

Ran to others part time lovers for comfort Lord I sorry I  
must've been out of head.  
Tell me how many times did I manage to break your  
heart.  
Said I'll do but I didn't know I should but wouldn't.  
In spite of it all still you said I'll always love you, love  
you as you are.

#### Chorus

#### Bridge

Like love for her new born you've embraced me in my  
fault.  
Oh, with a love so strong and unconditional never once  
let me go.  
I've made mistakes so many times taken advantage of  
you.  
But you've forgiven me time after time no matter what  
do. I'm so in love with you.

#### Chorus
