(Intro)

Ba ba ba ba ba ba ba ba ba
Ba, ba ba ba ba ba ba ba ba
Da da da da da da da...

Oh, what a lively head he gave
There's a certain thing to fame
I feel no shame
But all, such a lacking in the soul.
But something only it can hold
God only knows
And oh, has the days of yester-when
And all the melodies we made
We'll sing a song again

Even if you don't remember my name...

(Chorus)

All the same,
Que sera sera they say
Hey I'm just glad we had this day
And I'll know I'll never be the same
I'll never be the same

(Ba ba ba ba ba ba ba ba ba
Ba ba ba ba ba ba ba ba ba
Ba da da da da da da da...)

And oh, what a lovely crazy game
Juggling fortune with the fame
But still - I'm glad you came
You know we're really not that far apart
That is if I do my job
Where in the heart, are all of the things I'll try to say
As you allow me rule on your stage,
And we sing a song again
Even if you don't remember my name...

Well...(Chorus)

(Ba's)

And oh, has our memories we be-claim
And all the blessed songs that we once learned to sing.
We'll sing a song again
Even if you don't remember my name

Well(Chorus)

I'll never be the same

(Ba's)
