"O' Holy Night"

O' holy night the stars are brightly shining
It is the night of our dear saviors birth
Umm. Umm
Long lay the world, in sin and error pining
To he appeared and the soul felt His word
The thrill of hope
The weary soul rejoices
For yonder breaks a new and glorious morn'
Oh oh oh fall on your knees
Oh hear the angels voices
Oh night (oh night devine)
O' holy night (oh holy night)
When christ was born
Oh oh oh fall on your knees
O' hear the angels voices
O' night (oh night devine)
O' holy night (oh holy night)
When Christ was born
Holy night, holy night when Christ was born
(Born, Christ in the highest)
Holy night, holy night, holy night, holy night, holy night,
holy night when Christ was born
(O' holy night, it was a holy night. Yes it was)
Holy night, holy night, holy night, holy night, holy night,
holy night when Christ was born
(The savior of the world is born on a holy night, holy
night, holy night, holy night, holy night)
Holy night, holy night, holy night, holy night, holy night,
holy night when Christ was born
(O holy night the angels cried Holy holy)
Holy night, holy night, holy night, holy night, holy night,
holy night, holy night, holy night, holy night
(King of Kings, Lord of Lords, on holy night)
Holy night, holy night, holy night, holy night, holy night
(Holy)
