This old heart it won't be apart
Where are You?
Hope You're not too far
Come again, my love, once again
Sweet God
Come rescue my heart once again

Don't leave me now
I need Your love
The fault was mine
The blame each time
You know that I need You
I can't breathe without You
There's no source of life without You

This old heart it won't be apart
Where are You?
Hope You're not too far
Come again, my love, once again
Sweet God
Come rescue my heart once again

Don't take away Your spirit, Lord
I'm on my knees (my knees)
Asking You please
I do need You with me
Real close right beside me
Holding my hand all the way

This old heart it won't be apart
Where are You?
Hope You're not too far
Come again, my love, once again
Sweet God
Come rescue my heart once again

Don't walk away, my love please stay

This old heart it won't be apart
Where are You?
Hope You're not too far

Come again, my love, once again
Sweet God
Come rescue my heart once again
