All the people sitting in the darkness  
Shine the Light  
Stand up and share a little brightness  
Shine the Light

In a world that grows so faint and dim  
I believe His light will enter in  
Everybody...

Chorus: Shine the Light  
Don't hide the Light  
If they find the Light  
Then the world will change  
All the people gotta see the Light  
So be the Light  
For the world we pray  
Through the face of Christ  
They'll see the Light

All the people sitting by the lamp stand  
Shine the Light  
Let it shine from the valley to the highlands  
Shine the Light

Every boy and girl, every woman and man  
Share the love received from the Father's hand  
Everybody...

Chorus: Shine the Light  
Don't hide the Light  
If they find the Light  
Then the world will change  
All the people gotta see the Light  
So be the Light  
For the world we pray  
Through the face of Christ  
They'll see the Light

Everybody...

Chorus: Shine the Light  
Don't hide the Light

If they find the Light  
Then the world will change  
All the people gotta see the Light  
So be the Light  
For the world we pray  
Through the face of Christ  
They'll see the Light

Oohh Shine the Light  
Don't hide the Light  
If they find the Light  
Hoo!  
All the people gotta see the Light  
We gotta we gotta we gotta see the Light  
So be the Light  
Shine the Light  
Hoo! Yeah... Don't hide the Light  
If they find the Light  
Shine the Light!  
All the people gotta see the Light  
So be the Light  
Aahh ooh! Through the face of Christ  
They'll see the Light!!!
