There are times that I can count and say, that life
Seems so unfair.
I just wanna be in your presence lord, because there
Is safety there.
For' I know, that you, will not put more on me than I
Can bear.
So I, will trust you, for' I know that you care, I
Know you care for me.....

Oh. I know that you care for me.
That's why I can stand and fight. (i know that you
Care.....yeah yeah yeah)
I can make it through the night.
Because you care for me. (lift your voice and say
Oh.....)

Oh. I know that you care for me. (oh, oh, oh, ooh)
That's why I can stand and fight.
I can make it through the night.
Because you care for me. (care for me, care for me)

So right in the midst of my storm, I have peace within
My heart.
I know that your by my side, and your presence will
Never depart.
For' I , I believe, that all my burdens you will
Share.
So I caste them on you.
Cause I know that you care, I know you care for
Me.....

Oh. I know that you care for me. (oh I know)
That's why I can stand and fight.
I can make it through the night. (I can make it
Through the night)
Because you care for me.

Singin' oh, ooh.

Oh. I know that you care for me. (oh. I know that you
Care, care for me)

That's why I can stand and fight.
I can make it through the night. (yeah, because you
Care, you care for me)
Because you care for me.

When I was down (you lifted me)
When I was sick (you healed me)
That's why I depend on you, cause I know your love is
True.
Oh. So true.
And I love you, And I praise you.
I'll praise your name, Yes I will.
Cause I'll never ever be the same. No No.
You are a wonderful counselor, mighty God, that's just what
You are to me. Yeah!

Wonderful ---(**with ad libs continuing till song end)
Counselor.
Mighty God.
That's just what you are to me.
Thank You.
O Thank You Lord.
O Thank You!.

Thank You.
O Thank You Lord.
O Thank You!.

In my time of need, in my time of sorrow....you care
For me.
