Sweet Jesus, sweet Jesus what a wonder You are
Sweet Jesus, sweet Jesus what a wonder You are

I wanna spent my life around You
Now that I know what You're loving me can do
I wanna spent my life around You
Now that I know what You're loving me can do

And You're the peace of mind I need to find
[Incomprehensible]
But you're the broken pieces of my world
Man, woman, boy and girl

I wanna spent my life around You
Now that I know what You're loving me can do
I wanna spent my life around You
Now that I know what You're loving me can do

You're the peace of mind I need to find
[Incomprehensible]
But you're the broken pieces of my world
Man, woman, boy and girl

He's the world, well, I know He is the world
The one and only one
But He will set us free
He will set us free from pain and misery, ooh

Through His eyes, hey, through His eyes
[Incomprehensible] with loving eyes
We will turn, side by side, we will turn, side by side
To the judgment day

I wanna spent my life around You
Now that I know what You're loving me can do
I wanna spent my life around You
Now that I know what You're loving me can do

Sweet Jesus, sweet Jesus what a wonder You are, sweet
Jesus
Oh, Jesus, sweet Jesus what a wonder You are

I wanna spent my life around You
Now that I know what You're loving me can do
I wanna spent my life around You
Now that I know what You're loving me can do

You're the peace of mind I need to find
[Incomprehensible]
But you're the broken pieces of my world
Man, woman, boy and girl
