Ooh yes oh yes

Yes the people have to know  
that in the beginning  
Jah He created the earth  
and all the things there in

Yes the people have to know  
that He gave it to men  
to subdue and have dominion  
over everything  
on this earth  
oh yes

Yes the people have to know (2x)

Yes the people ought to know  
that men made a mess  
of this whole world  
so it will serve theirs soul

Yes the people ought to know  
that Jah was displeased  
and in His wrath he send a flood  
to destroy wickedness

Oh yes, the people have to know (2x)

Oh, got to tell them  
I just got to tell them

Yes the people ought to know  
that God gave men a chance  
to redeem his soul  
once again  
but it seems as if  
he wanna do the same  
sinfullness on this earth  
oh yeah, wickedness

Yes the people ought to know (3x)

Brimstone and fire (2x)  
The people have to know  
Oh yes, the people have to know  
Got to know  
They got to know
