I'm not the one to stay up all night
But I am the one to turn off the light
I'm not the one to make it all come true
But I am the one who's good at two

Say you just don't care but you still wanna try it
(Then try it)
Say you just don't care but you still wanna try it
(Then try it)

10 seconds down
Remote, remote control
10 seconds down
Remote, remote control

Now I told you so but you didn't believe
Now you've gotta goal that you didn't achieve
And I don't care, I can't say the word
It's not my fault I didn't get past third

Say you just don't care but you still wanna try it
(Then try it)
Say you just don't care but you still wanna try it
(Then try it)

10 seconds down
Remote, remote control
10 seconds down
Remote, remote control
10 seconds down
Remote, remote control
10 seconds down
Remote, remote control

I'm not the one to stay up all night
But I am the one to turn off the light
But I'm not the one to make it all come true
But I am the one who's good it two

Say you just don't care but you still wanna try it
(Then try it)
Say you just don't care but you still wanna try it

(Then try it)

10 seconds down
Remote, remote control
10 seconds down
Remote, remote control
10 seconds down
Remote, remote control
10 seconds down
Remote, remote control

It's the death of rock n' roll and I'm killin' it
It's the death of rock n' roll and I'm killin' it
It's the death of rock n' roll and I'm killin' it
It's the death of rock n' roll and I'm killin' it
Killin' it, killin' it, killin' it
