I heat up, I can't cool down  
You got me spinnin' round and round  
Round and round, and round it goes  
Where it stops nobody knows  
Everytime you call my name  
I heat up like a burning flame  
Burning flame full of desire  
Kiss me baby let the fire get higher

Abra abracadabra, I wanna reach out and grab ya  
Abra abracadabra, abracadabra

You make me hot, you make me sigh  
You make me laugh, you make me cry  
Keep me burning for your love  
With the touch of a velvet glove

Abra abracadabra, I wanna reach out and grab ya  
Abra abracadabra, abracadabra

I feel the magic in your caress  
I feel magic when I touch your dress  
Silk and satin, leather and lace  
Black panties with an angel's face  
I see magic in your eyes  
I hear magic in your sighs  
Just when I think I'm gonna get away  
I hear those words that you won't say

Abara abracadabra, I wanna reach out and grab ya  
Abra abracadabra, abaracadabra

Everytime you call my name  
I heat up like a burnin' flame  
Burnin flame full of desire  
Kiss me baby let the fire get higher

I heat up, I can't cool down  
My situation goes run around and round  
I heat up, I cant cool down  
My situation goes round and round

I heat up, I can't cool down  
My situation goes round and round
