Boardwalk (Alright) [x2]

When the summer is done and the heat is dying, Woah-
oh

I'll be waving goodbye while the girls are crying, Woah-
oh

It was a vacation thing
and some may call it a fling
but it was really just nothing at all

No alarm to start the morning
Roll out of the bed with sand in my hair
A couple of drinks and it always happens
We end up right here

Last night we were in the moment
Caught up and swept away
We both know it couldn't last forever
Now there's one thing left to say

When the summer is done and the heat is dying, Woah-
oh

I'll be waving goodbye while the girls are crying, Woah-
oh

It was a vacation thing
and some may call it a fling
but it was really just nothing at all

Out on the boardwalk, girls go by
Time to spark up conversation
I'm kinda buzzed and Iâ'm feeling fine
and she's looking my way

And it drives me crazy
Gonna make her my baby
and tomorrow we can do it again

When the summer is done and the heat is dying, Woah-
oh

I'll be waving goodbye while the girls are crying, Woah-
oh

It was a vacation thing
and some may call it a fling

but it was really just nothing at all

And I could stay here for the rest of my life
Without a care in the world
All my friends are making new memories
The sun is down, we're leaving now
It's like it's all been a dream

When the summer is done and the heat is dying, Woah-
oh
I'll be waving goodbye while the girls are crying, Woah-
oh
It was a vacation thing
and some may call it a fling
but it was really just nothing at all

Out on the boardwalk (boardwalk)
That's where we go
Out on the boardwalk (boardwalk)
No one will know
[Repeated & Fading:] Boardwalk (vocalizing)
