Visit "[Breathe](#)" on MotoLyrics.com

Do

You pull my head back, watch me bleed
I need it again
No time to move can't even breathe
Your face is stuck in a magazine
Such a fitch
For once do something for yourself

So, breathe
Breathe
Breathe
Breathe

You found me out somehow
You found me out somehow
You found me out somehow
You found me out somehow

We scratch and kick and pull and fight
And do it again
Well, I do it wrong and you do it right
Go, go, go ahead
And now years gone your so uptight
It gets so hard
All we have to do is fucking fight

So, breathe
Breathe
Breathe
Breathe

You found me out somehow
You found me out somehow
You found me out somehow
You found me out somehow
You found me out somehow
You found me out somehow
You found me out somehow
You found me out somehow

[Inaudible]

It's all the same no matter what you say
I think, I need it
You got the same no matter what you say
Yeah
The grass is greener in L.A.
Just a suspect
Everybody's dead in their own way

So breathe
Breathe
Breathe
Fuckin' breathe

You found me out somehow
You found me out somehow
You found me out somehow
You found me out somehow
You found me out somehow
You found me out somehow
You found me out somehow
You found me out somehow
