There's a real nice flow in the air tonight
But don't look down, I feel all right
Back to a time when it was so right with you
Seems so good on the night we met
I tried so hard but I can't forget
So right, so wrong with you

And God, I can't stop lovin' you
I can't start lovin' you, baby
No one got me over you
I can't start missin' you baby
I just can't stop lovin' you
Don't wanna start lovin' you, baby
Even though you want, you want me too
I can't start lovin' you, baby
Tomorrow, tomorrow, for you

Lost all night on 405
Rear view mirror I saw your eyes
Voice on the radio was you
I hear the talk from all the friends
I know, I saw, so don't pretend
We could never feel that way again

And God, I can't stop lovin' you
But I can't start lovin' you, baby
No one got me over you
I can't start missin' you, baby
I just can't stop lovin' you
Don't wanna start lovin' you, baby
Even though you want, you want me too
I can't start lovin' you, baby
Tomorrow, tomorrow, for you

I watch the time movin' halfway round the world
I watch the time movin' in this girl
I watch the time, watch the time movin'
But somehow I remember, I remember you

Da, da, da
Da, da, da
Da, da, da

Girl I can't stop lovin' you
Even though you want me to

And God, I can't stop lovin' you
I can't start lovin' you, baby
No one got me over you
I can't start missin' you, baby
I just can't stop lovin' you
Don't wanna start lovin' you, baby

Even though you want, you want me too
I can't stop lovin' you, baby
Even though you want, you want me too
I can't stop lovin' you, baby
Tomorrow, tomorrow for you
Tomorrow, tomorrow for you

Baby, baby
Hey, baby
