Cash, I need some fucking cash
I need it kind of fast
I need it now right away, right away, yeah
Cash, gonna make it laugh
Don't tell me 'bout the path
I need it now, right away, right away

I need some fucking cash
You need some fucking cash
We all need some fucking cash
Run an' get my gun

Cash, don't tell me 'bout the path
Don't wanna make it laugh
I need it now, right away, right away, yeah
Cash, you need some fucking cash
We're gonna make it last
I need it now, right away, right away

I need some fucking cash
You need some fucking cash
We all need some fucking cash
Run an' get my gun

Cash
I like it rockin' ready

Rock, rock, rock

Cash, I need some fucking cash
I'm gonna make it last
An' I need it now, right away, right away
Well yeah, cash, don't tell me 'bout the path
Don't wanna make it last
I need it now, right away, right away

I need some fucking cash
You need some fucking cash
We all need some fucking cash
Run an' get my gun

Cash, I need some fucking cash

Don't tell me 'bout the path
I need it now, right away, right away
Yeah, cash
I need some fucking cash
I need some fucking cash
I need some fucking cash
I need some fucking cash
