Ooh hoo!  
Ooh hoo!  
I just got hit by lightning again  
And she went right through me  
Pick me up  
Off my back replace my skin  
Woman  
Get your dirty mind outta my head  
Yeah  
I never knew how good  
I never knew how good it could be

*[Chorus]*

All over the world  
She's that kind of girl  
there's one in every scene  
Do you know what I mean  
She's got that kind of face  
You see in every place  
Another beautiful girl  
All over the world

Ooh hoo!  
Ooh hoo!  
Once again  
Ask the devil how's he's been  
And my angel asked me  
Why do you always have to give in  
So I told them  
You never know what day it is  
until it's Saturday night  
Get your dirty mind outta my head  
Yeah  
I never knew how good  
I never knew how good it could be

*[Chorus]*

All over the world  
She's that kind of girl  
there's one in every scene  
Do you know what I mean  
She's got that kind of face

You see in every place  
Another beautiful girl  
All over the world

Yeah, yeah  
Ooh hoo!  
I finally got it right  
She knew what I was thinking  
I always knew how good it could be  
Stay tonight  
Ooh hoo!  
Stay tonight  
I always knew how good it could be  
Stay tonight  
Woman  
I always knew how good it could be  
All over the world  
She's that kind of girl  
There's one in every scene  
Do you know what I mean?  
She's got that kind of face  
You see in every place  
Another beautiful girl  
All over the world

All over the world
