What it is! all nice and easy slip of the curl  
This is super cat and sugar ray riding through

Spread your love and fly, fly...

All around the world, statues crumble for me  
Who knows how long Ive loved you  
Everywhere I go people stop and they see  
Twenty-five years old, my mother, God rest her soul  
(lord, have mercy)

I just wanna fly  
(uh, where you, uh, where you want)  
Put your arms around me, baby  
Put your arms around me, baby  
I just wanna fly  
(where you want, where you try, uh, where you want)  
Put your arms around me, baby...  
(i, i, I w...w...would tell her, here, well  
Spread your love and fly, oh, me, oh, my  
Spread your love and fly, oh, me for i  
Spread your love and fly, fly)

Dance a little stranger  
Show me where youve been (say what? )  
Love can make you hostage  
Wanna do it again (word)  
There's no time to think  
Bout the starting or the end (never)  
Well find out, Im told  
My mother, she told me so,  
(yeah, yeah, check it out)

I just wanna fly  
(higher, higher, higher, high, high, high)  
Put your arms around me, baby  
Put your arms around me, baby  
I just wanna fly  
(like a birdie in the sky up so high)  
Put your arms around me, baby  
Put your arms around me, baby

I just want...  
(grow your wing and fly)  
...to fly  
(uh, wh-... where you want)  
(uh, wh-... where you want)

Love you, baby girl, love, and I'll tell no lie  
All the women all be lovin'  
They want to come a me i, just like i  
And the they wanna fly  
Me have a lovely girl  
Im gonn tell her bye-bye and  
Grow your wing and fly, oh, me, oh, my  
Spread your love and fly, fly

Its chickadee time on the borderline  
Don't tell a lie, wont tell a lie, bye-bye  
Bye-buh-buh-buh-bye, bye-buh-buh-buh-bye

All around the world, statues crumble for me  
Who knows how long Ive loved you (aint my thing)  
Everyone I know has been so good to me (hey, hear that)  
Twenty-five years old, my mother, God rest her soul  
(lord, have mercy)

I just wanna fly  
(like a birdie in the sky up so high)  
Put your arms around me, baby  
Put your arms around me, baby (all night long)  
I just wanna fly  
(higher, higher, higher, higher, high, high, high)  
Put your arms around me, baby  
Put your arms around me, baby

I just want...  
(grow your wings and fly)  
...to fly  
(uh, wh-, uh... where you want)  
Try, uh, wh-...where you want)  
I just want...  
(spread your love and fly)...to fly  
(uh, wh-uh... where you want)  
Try, uh, wh-...where you want)  
Come on  
(try, uh, when you, wh-uh, when you young, yeah)  
Buzz

I just wanna fly  
(like a birdie in the sky up so high)

Put your arms around me, baby  
(high, high, high, high, higher than high)  
Put your arms around me, baby  
(don't be shy, cause we all forget to fly)  
I just wanna fly  
(like a birdie in the sky up so high)

All around the world, statues crumble for me  
(high, high, high, high, higher than...a kite  
Spread your wing and fly, oh, me, oh, my)  
I just wanna fly  
(spread your wings and fly, give it up for i  
Spread your wing and fly, oh, me, oh, my  
Spread your wing and fly, because  
Georgie porgie, pudding and pie
