I'm lost in a world full of sound
Where gravity's pullin' me down
But I've arrived and going nowhere

Oh what can I do?
Oh what could I say?
When everything's upside down
Oh what can I do?
There's nothing to say
When I've arrived
I'm going

I'm lost but it won't get me down
A king of the loneliest ghost town
Faces that don't come around
Cause I've arrived and going nowhere

Oh what can I do?
Oh what could I say?
When everything's upside down
Oh what can I do?
There's nothing to say
There's nothing to say

I covered the world full of nothing
I'm runnin' in place
I'm back here where I started
Standing in my way

I'm going nowhere
I'm going nowhere

Oh what could I do?
Oh what could I say?
When everything's upside down

Oh what can I do?
Oh what could I say?
When everything's upside down
Oh what can I do?
There's nothing to say
There's nothing to say

Oh what can I do?
Don't break me
Oh what could I say?
I'm fadin' out
Oh what can I do?
There's nothing to say
When I've arrived
I'm going nowhere
