Who loves the morning sun  
Creeping up right behind me  
When the moment is right Iâ€™m gonna tell her tonight  
Iâ€™ll tell her sheâ€™s my morning sun, woah-oh

Here comes the morning sun  
Spreading all the rays around me  
When the ocean is right Iâ€™m gonna feel it tonight  
Iâ€™ll tell you who loves the morning sun, woah-oh

And with a smile like no other  
It always brings me back to you (back to you)  
I can tell by the look in your eyes  
You wanna be about it, come on and be about it

All daydreaming staring at the ceiling  
Iâ€™ll be trippinâ€™ baby if you leave  
â€™Cause I toss and I turn  
And I wake up to the birds  
Singing who loves the morning sun

It took so long for me to say goodnight  
â€™Cause all the words got in the way  
And I never wanna see you cry  
â€™Cause I feel everything in my soul, woah-oh

Weâ€™ll be shining forever  
Yeah itâ€™s warm right here with you (here with you)  
And I can tell by the look in your eyes  
You wanna be about it, go ahead and be about it

All daydreaming staring at the ceiling  
Iâ€™ll be trippinâ€™ baby if you leave  
â€™Cause I toss and I turn  
And I wake up to the birds  
Singing who loves the morning sun

All daydreaming staring at the ceiling  
Iâ€™ll be trippinâ€™ baby if you leave  
â€™Cause I toss and I turn  
And I wake up to the birds  
Singing who loves the morning sun (who loves it)

All daydreaming staring at the ceiling  
Iâll be trippinâ baby if you leave  
âCause I toss and I turn  
And I wake up to the birds  
Singing who loves the morning sun (who loves it)

Singing who loves the morning sun (who loves it)  
Singing who loves the morning sun (who loves it)  
Tell me who loves the morning sun (who loves it)  
Iâll tell ya who loves the morning sun
