Where are you goin'?
I never heard you say goodbye
I know it's showin'
You tried your hardest not to cry

I took a photograph of you
The innocence of just we two
With his arm around you all your life
I think about you everyday

I wonder what he'd said?
How he got inside your head?
As I watch you walk away up
Way up, way up

And now you're goin'
No time to stop and say I tried
Too easy knowin'
How hard your leavin' feels inside

I saw the photograph of you
The innocence of just we two
With his arm around you all your life
I think about you everyday

I wonder what he'd said?
How he got inside your head?
As I watch you walk away up
Way up, way up

There's no more time hangin' around
Talkin' to you
I know this loss can't be found
What can I do? What can I do?

I took a photograph of you
The innocence of just we two
With his arm around you all your life
I think about you everyday

Way up, way up, way up
