She was a crazy girl
She's from a different world
And I don't care
She cashed her check at two
Her rent was overdue
'Cause he's not there

Sing for me, sing for me
Show me the way
Sing for me, sing for me
'Cause you're goin' away

And if you're goin' away
I just don't know what to say
You're time was wasted
All you had to do was stay

Hey Mr. Officer
Please let me talk to her
Take her home
Sometimes it's hard to see
Impossibilities unknown

Sing for me, sing for me
Show me the way
Sing for me, sing for me
'Cause you're goin' away

'Cause if you're goin' away
I just don't know what to say
You're time was wasted
All you had to do was stay

Teardrops they fall out of the sky

She's goin' away
There is nothing to say
She's from a different world
She's goin' away
She's not that kind of girl
She's leaving today

Sing for me, sing for me
Show me the way
Sing for me, sing for me
'Cause you're goin' away

And if you're goin' away
I just don't know what to say
Please show me the way
Sing for me, sing for me
'Cause you're goin' away

And if you're goin' away
I just don't know what to say
