Can't take this anymore, got my head down on the floor
My brain is burning inside of my head
Can't speak the word and my face is blue
And I wanna get back to the arms of you
Wanna get back I gotta get back
C'mon

Speed Home California
Speed Home California
Speed Home California
Speed Home California
Oh yeah

Got 1894 with all my friends who pass at my back door
Can see the light of another night in here
And you want it fast and you want it now
And if you ask they'll tell you how
Wanna get back I gotta get back
C'mon

Speed Home California
Speed Home California
Speed Home California
Speed Home California

Speed Home California
Speed Home California
Speed Home California
Speed Home California

Yeah alright, Yeah
Shh stop
These are the brakes

See you hear me not at all set you up to watch you fall
Least I feel the starting of the end yeah yeah yeah
Gotta pick it up, are you gonna be late?
12 more hours to the sunshine state
Wanna get back, I gotta get back
C'mon

Speed Home California

Speed Home California
Speed Home California
Speed Home California

Speed Home
Speed Home
Speed Home
Speed Home California
