The greatest
The greatest

I must have been away too long, I don't think I can take
it
Well, this thing that's going on, there's no way I can
feel it
You see my day to day thing, well, let me tell you about
the latest
You see my day to day thing in the story of the greatest

It's been a while since it's happened to me now
It's been a while since it's happened to me now

Don't you feel good?
(That's how you feel when you feel alright)
Don't you feel good?
(That's how you feel when you feel alright)

Gotta get to where I am, don't you try to understand
Are we seeing eye to eye? I'm believing all the lies
You see my day to day thing, well, let me tell you about
the latest
You see my day to day thing in the story of the greatest

It's been a while since it's happened to me now
It's been a while since it's happened to me now

Don't you feel good?
(That's how you feel when you feel alright)
Don't you feel good?
(That's how you feel when you feel alright)

Don't you feel good?
(That's how you feel when you feel alright)
Don't you feel good?
(That's how you feel when you feel alright)

Don't you feel good?
Don't you feel good?

Don't you feel good?

(It's been a while since it's happened to me now)
Don't you feel good?
(It's been a while since it's happened to me now)

Don't you feel good?
(That's how you feel when you feel alright)
Don't you feel good?
(That's how you feel when you feel alright)

Don't you feel good?
(That's how you feel when you feel alright)
Don't you feel good?
(That's how you feel when you feel alright)
