You look into my eyes, I go out of my mind.  
I can't see anything, cos this loves got me blind.  
I can't help myself, I can't break this spell, I can't even try.

I'm in over my head, you got under my skin.  
I've got no strength at all, in the state that I'm in.  
And my knees are weak, and my mouth can't speak,  
fell too far this time.

\*Chorus\*

Baby, I'm too lost in you, caught in you,  
lost in everything about you.  
So deep, I can't sleep, I can't think,  
I just think about the things that you do, (you do)  
I'm too lost in you, (too lost in you).

Well you whisper to me, and I shiver inside.  
You undo me and move me, in ways undefined.  
And you're all I see, and you're all I need,  
Help me baby, help me baby, help me baby, help me now.

Cos I'm slipping away, like the sand to the tide.  
Falling into your arms, falling into your eyes.  
If you get too near, I might disappear, I might lose my mind.  
Ohhhh.

\*Chorus\*

Baby, I'm too lost in you, caught in you,  
lost in everything about you.  
So deep, I can't sleep, I can't think,  
I just think about the things that you do, (you do)  
I'm too lost in you, (too lost in you).

I'm going crazy in love for you baby, (I can't eat and I can't sleep)  
I'm going down like a stone in the sea.

No one can rescue me, (no one can rescue me).

Ohhhh, Ohhhh  
My baby, (my baby).  
Ohhhh  
Baby, baby,

\*Chorus\*

Baby, I'm too lost in you, caught in you,  
lost in everything about you.  
So deep, I can't sleep, I can't think,  
I just think about the things that you do, (you do)  
I'm too lost in you, (too lost in you).

I'm lost in you, I'm lost in you  
I'm lost in everything about you.  
So deep, I can't sleep, I can't think,  
I just think about the things that you do, (you do)  
I'm too lost in you, (too lost in you).

Ohhhh.
