A divorced lady arrives home from a bar, guess
What she sees? there is a naked person in my flat he's
got a weird expression
On his face! oh my god and jesus as well, what are you
doing here, are you
Hurting your chest, offending yourself, forcing
yourself into pain like there
Is no tomorrow? you should use the pain and sorrow
to fill you up with power,
Life's both sweet and sour. he looks at me hopeless
with tears in his eyes,
Goes out of the window and up on the roof. naked man
calm down, i'll give
You some strawberry cake, don't act like there is no
tomorrow, life's both
Sweet and sour. tak'i takt & trega. ja!
Okeydokey, that's the whole CD. I left out the
punctuation and capitalization
As I found it in the disc. I work at a radio station here
and we've got both
The new single and the whole lp. I think there may be a
b-side on the single
With "Hit" that's not on the album...I'll look into it and
get back to you
