My heart is haunted by things we never said  
There's a distant craving that I'm still trying to forget  
Am I drifting endlessly, am I moving to  
A resolution of you and me  
(Different than I ever thought it would be)

I feel you walking down the same road  
I feel you all around me  
I hear you, can you hear me  
Is it too late to say I'm so sorry?  
Sorry, I'm so sorry, sorry

I still remember our once upon a time  
My thoughts are stained with  
The faded words of a valentine

Will my heart ever be free like the free I knew?  
Living the love that was you and me  
(Missing it's more than I thought it would be)

I feel you walking down the same road  
I feel you all around me  
I hear you, can you hear me  
Is it too late to say I'm so sorry?  
Sorry, I'm so sorry, sorry

I'm far enough along  
To know where I went wrong  
And I'm not afraid to say  
I'm not afraid to say

I feel you walking down the same road  
I feel you all around me  
I hear you, can you hear me  
Is it too late to say I'm so sorry?  
Sorry, I'm so sorry, sorry
