Fire like lightening  
Burning up the night  
Smoke horizon  
Won't give up the fight

Fire like lightening, burning up the night  
Smoke horizon, won't give up the fight  
Well, deep inside can you hear that call?  
Waking your heart and shaking your walls

Where love is found, the nations fall  
A cry will rise above it all

All we are, we are  
All we are, we are  
All we are, we are  
All we are, we are young

Shine like diamonds, cut the night into the sky  
Light riding, show me your love  
You were deep inside I can hear that call  
Waking my heart and shaking my walls

Where love is found and nations fall  
A cry will rise above it all

All we are, we are  
All we are, we are  
All we are, we are  
All we are, we are young

Lift me up  
(Fire like lightening, baby)  
It's not over  
(Fire like lightening, baby)

We are young  
(Fire like lightening, baby)  
Tell me  
(Fire like lightening, baby)

Over and over

(Over and over)  
We are young  
(Over and over)  
Over and over  
(Over and over)

Over and over, and over and over  
And over and over

Fire like lightening
