She's been sitting there,  
Waiting for her phone to ring,  
You don't want to admit to  
This Loving thing,  
I'm not doing this again,  
It can't be like we're friends,  
Baby, why can't you see?  
You love her, not me.  
Baby, just go.

I can't live in a lie,  
My love for you will slowly die,  
Please go away,  
I won't ask you to stay.  
Baby, its No, Baby, Just Go.  
I won't do this any more,  
I have been there before.  
You promised me it would last  
Now it's memories of the past  
No, No, No, NO ooooooh, ooooooh,  
Baby, just go.

I won't play second string  
I have given you, everything.

I have to let you go,  
There was nothing to show,  
Now, our love is dead,  
Go back to her bed  
Please leave me alone,  
I'll be alright on my own.  
Now that you are gone, I'm carrying on.  
I'm not on my knees,  
I'm begging you please  
Baby, just go.

I can't live in a lie,  
My love for you will slowly die,  
I have found someone new  
And his love is true  
Now, I have something to show,  
I'm glad I made you go.

Yeah, Yeah, Oh Oh, OOOOOO
