Me, I'm a part of your circle of friends  
And we, notice you don't come around  
And me, I think it all depends  
on you  
Catching ground with us but

I quit  
I give up  
Nothing's good enough for anybody else  
It seems

I quit  
I give up  
Nothing's good enough for  
anybody else  
It seems

And being alone is the  
best way to be  
When I'm by myself it's the best way to be  
When I'm all alone it's the best way to be  
When I'm by myself no body else can say goodbye

Everything is temporary anyway  
When the streets are wet  
The colors slip into the sky  
But I dont know why that means you and I are  
that means you and I--

I quit  
I give up  
Nothings good enough for anybody else  
It seems

I quit  
I give up  
Nothings good enough for anybody else  
It seems

And being alone is the best way to be  
When I'm by myself its the best way to be

When I'm all alone its the best way to be  
When I'm by myself no body else can say  
Me, I'm a part of your circle of friends, and we notice  
you dont come around.
