Why you walking around
With your heart so heavy?
Is it getting you down?
Steady beat, beat steady

And with the way you're feeling
Thinking that it never will end
And I know you say you got your reasons
You kick it 'til you break it again

But I wanna say
Hey, hey, things are looking better now
Hey, hey, nothing lasts forever
If you open up your heart and let it in
You'll find the beat again

You've been blue for a while
And you just can't shake it
Got no reason to smile
So you have to fake it

And with the way you're feeling
Thinking that you gotta pretend
Though I know you say you got your reasons
You kick it 'til you break it again

Still I wanna say
Hey, hey, things are looking better now

Hey, hey, nothing lasts forever
If you open up your heart and let it in
You'll find the beat again

Come on, come on
Come on, come on
Come on, come on now

Everybody say
Hey, hey, things are looking better now
Hey, hey, nothing lasts forever
If you open up your heart and let it

Hey, hey, things are looking better now
Hey, hey, nothing lasts forever
If you open up your heart and let it in
You'll find the beat again

Hey, hey, come on, come on
Hey, hey, come on, come on
Hey, hey, come on, come on
Hey, hey, come on, come on

Hey, hey
(Why you walking around?)
Come on, come on, hey, hey
(Why you walking around?)
Come on, come on, hey, hey
(Why you walking around?)
Come on, come on, hey, hey
