## "Incredible Machine"

Feels like I'm flying  
Wings made of light  
Brand new and shinin'  
Like a shot rung out through the night

A heart that beats  
An incredible machine  
Made of blood and love  
And hope and lust and steam

Calling  
Calling  
Calling

Feels like I'm floating  
Weightless in flight  
Planets exploding  
As the soul and gravity fight

A heart that beats  
An incredible machine  
Made of blood and love  
And hope and lust and steam

Calling  
Calling  
Calling

Lifted higher, mercury skies above  
Calling  
Water fire burning a sign of love

A heart that beats  
An incredible machine  
Made of blood and love  
And hope and lust and steam

Calling  
Calling  
Calling  
Calling
