To the left, to the left  
To the left, to the left

To the left, to the left  
Everything you own in the box to the left  
In the closet, that's my stuff  
Yes, if I bought it, please don't touch

And keep talking that mess, that's fine  
But could you walk and talk at the same time? Yeah  
It's my name that's on that jag  
So go get your bags, let me call you a cab

Standing in the front yard, telling me  
How I'm such a fool and talking 'bout  
How I'll never ever find a man like you  
You got me twisted

You must not know 'bout me  
You must not know 'bout me  
I could have another you in a minute  
Matter fact, he'll be here in a minute, baby

You must not know 'bout me  
You must not know 'bout me  
I can have another you by tomorrow  
So don't you ever for a second get to thinkin'  
You're irreplaceable

So go ahead and get gone  
Call up that chick and see if she's home  
Oops, I bet you thought that I didn't know  
What did you think I was putting you out for?

Because you was untrue  
Rolling her around in the car that I bought you  
Baby, drop them keys  
Hurry up before your taxi leaves

Standing in the front yard, telling me  
How I'm such a fool and talking 'bout  
How I'll never ever find a man like you

You got me twisted

You must not know 'bout me  
You must not know 'bout me  
I could have another you in a minute  
Matter fact, he'll be here in a minute, baby

You must not know 'bout me  
You must not know 'bout me  
I will have another you by tomorrow  
So don't you ever for a second get to thinkin'  
You're irreplaceable

To the left, to the left  
Everything you own in the box to left  
To the left, to the left

To the left, to the left  
Everything you own in the box to left  
To the left, to the left

To the left, to the left  
Everything you own in the box to left  
To the left, to the left

To the left, to the left  
Everything you own in the box to left  
To the left, to the left
