What if I said yes?  
What if I'd gone out that night?  
What if you turned left, and everything would of turned  
out alright.  
What if I spoke up?  
What if I took the keys?  
What if I would of tried a little harder, instead of always  
trying to please.

[Chorus]

Joey, I'm so sorry.  
Oh can you hear me?  
Joey, I'm so sorry.

What if I said no?  
What if we never fell in love?  
What if we'd gone slow, or a little faster and broken up.  
Would I know this hurt?  
Would I feel this pain?  
[chorus]

Joey, I'm so sorry.  
Oh can you hear me?  
Joey, I'm so sorry.

[Nightswimming Joey Lyrics On ]  
Were you sad, were you scared, did you whisper a  
prayer to be free?  
Was it quiet and cold was it light or too dark to see?  
And did you reach for me?

Joey, I'm so sorry.  
Oh can you hear me?  
Joey, I'm so sorry.  
Oh can you hear me?  
Joey, I'm soooooo- Joey, I'm  
soo  
sorry
