Fifteen minutes left to throw me together  
For mister right now, not mister forever  
Don't know why I even try when I know how it ends  
Looking like another, maybe we could be friends

I've been leaving it up to fate  
It's my life so it's mine to make

I ain't settlin' for just getting by  
I've had enough so so, for the rest of my life  
Tired of shooting too low, so raise the bar high  
Just [Incomprehensible] enough this time  
I ain't settlin' for anything less than everything, yeah

With some good red wine and my brand new shoes  
Gonna dance a blue streak around my living room  
Take a chance on love and try how it feels  
With my heart wide open, yeah, you know I will

Find what it means to be the girl  
Change her mind and change the world

I ain't settlin' for just getting by  
I've had enough so so, for the rest of my life  
Tired of shooting too low, so raise the bar high  
Just [Incomprehensible] enough this time  
I ain't settlin' for anything less than everything

I ain't settlin' for just getting by  
I've had enough so so, for the rest of my life  
Tired of shooting too low, so raise the bar high  
Just [Incomprehensible] enough this time

I ain't settlin' for just getting by  
I've had enough so so, for the rest of my life  
Tired of shooting too low, so raise the bar high  
I ain't settlin' no, no, no, no, no, no, so raise the bar  
high
