All the lonely people cryin'
It could change if we just get started
Life the darkness, light a fire
For the silent and the broken hearted

Won't you stand up
Stand Up
Stand Up
Won't you stand up you girls and boys?

Won't you stand up
Stand Up
Stand Up
Won't you stand up and use your voice?

There's a comfort
There's healing
High above the pain and sorrow
Change is coming
Can you feel it?
Calling us into a new tomorrow

Won't you stand up
Stand Up
Stand Up
Won't you stand up you girls and boys?

Won't you stand up
Stand Up
Stand Up
Won't you stand up and use your voice?
When the walls fall all around you
When your hope has turned to dust
Let the sound of love surround you
Beat like a heart in each of us

Won't you stand up
Stand Up
Stand Up
Won't you stand up you girls and boys?

Won't you stand up

Stand Up
Stand Up
Won't you stand up and use your voice?

Won't you stand up
Stand Up
Stand Up
Won't you stand up you girls and boys?

Won't you stand up
Stand Up
Stand Up
Won't you stand up

Won't you stand up
Stand Up
Stand Up
Won't you stand up and use your voice?
