Absolutely no one who knows me better  
No one that can make me feel so good  
How did we stay so long together  
When everybody  
Everybody said we never would  
And just when I  
I start to think they're right  
That love has died

There you go making my heart beat again  
Heart beat again, heart beat again  
There you go making me feel like a kid  
Won't you do it and do it one time  
There you go pulling me right back in  
Right back in, right back in  
And I know I'm never letting this go  
I'm stuck on you  
Whoa-oh, whoa-oh  
Stuck like glue  
You and me baby  
We're stuck like glue  
Whoa-oh, whoa-oh  
Stuck like glue  
You and me baby  
We're stuck like glue

Some days I don't feel like trying  
Some days you know I wanna just give up  
When it doesn't matter who's right  
Fight about it all night  
Had enough  
You give me that look  
I'm sorry baby let's make up  
You do that thing that makes me laugh  
And just like that

There you go making my heart beat again  
Heart beat again, heart beat again  
There you go making me feel like a kid  
Won't you do it and do it one time  
There you go pulling me right back in  
Right back in, right back in

And I know I'm never letting this go  
I'm stuck on you  
Whoa-oh, whoa-oh  
Stuck like glue  
You and me baby  
We're stuck like glue  
Whoa-oh, whoa-oh  
Stuck like glue  
You and me baby  
We're stuck like glue

Whoa-oh, whoa-oh  
You almost stay out  
Too stuck together from the ATL  
Whoa-oh, whoa-oh  
Feeling kinda sick  
Just a spoon full of sugar make it better real quick  
I say, whoa-oh, whoa-oh  
What'cha gonna do with that  
Whoa-oh, whoa-oh  
Come on over here with that  
Sugar sticky sweet stuff  
Come on give me that stuff  
Everybody want some  
Melodies that get stuck  
Up in your head  
Whoa-oh, whoa-oh  
Up in your head  
Whoa-oh, whoa-oh  
Up in your head  
Whoa-oh, whoa-oh  
Up in your head  
Whoa-oh, whoa-oh  
Whoa-oh, whoa-oh  
Stuck like glue  
You and me together  
Say it's all I wanna do I said

There you go making my heart beat again  
Heart beat again, heart beat again  
There you go making me feel like a kid  
Won't you do it and do it one time  
There you go pulling me right back in  
Right back in, right back in  
And I know (I know)  
I'm never letting this go (never letting this go)  
There you go making my heart beat again  
Heart beat again, heart beat again  
There you go making me feel like a kid  
Won't you do it and do it one time  
There you go pulling me right back in

Right back in, right back in  
And I know (know)  
I'm never letting this go (never letting this go)  
I'm stuck on you  
Whoa-oh, whoa-oh  
Stuck like glue  
You and me baby  
We're stuck like glue  
Whoa-oh, whoa-oh  
Stuck like glue  
You and me baby  
We're stuck like glue  
Whoa-oh, whoa-oh  
Stuck like glue  
You and me baby  
We're stuck like glue
