This one goes out to the one I love
This one goes out to the one I've left behind
A simple prop to occupy my time
This one goes out to the one I love

Fire, fire, fire, fire

This one goes out to the one I love
This one goes out to the one I've left behind
A simple prop to occupy my time
This one goes out to the one I love

Fire, fire, fire, fire

This one goes out to the one I love (This one goes out
to the one I love)
This one goes out to the one I love (This one goes out
to the one I love)
This one goes out to the one I love (This one goes out
to the one I...)
This one goes out to the one I love...
