"Tonight"

If words could make it real
I'd tell you how I feel
Instead I'm waiting here on my knees love
I know how it feels to breathe
With you beside me
I think about it always.....

Tonight, tonight, tonight
I'm waiting for,
Waiting for the night
Tonight, tonight, tonight
I'm waiting for,
Waiting forrrrrr

A lifetime for a day
Would be an even trade
No price I wouldn't pay
For your heart love
I know how it feels to breath
With you beside me
I think about it always.....

Tonight, tonight, tonight
I'm waiting for,
Waiting for the night
Tonight, tonight, tonight
I'm waiting for,
Waiting forrrrrr

Tonight, tonight, tonight

Tonight, tonight, tonight

Tonight, tonight, tonight

Tonight, tonight, tonight, tonight, tonight, tonight,
tonight, tonight.

Tonight, tonight, tonight
I'm waiting for,

Waiting for the night
Tonight, tonight, tonight
I'm waiting for,
Waiting forrrrrr
