"Fascist Pig"

Visit "[Fascist Pig](#)" on MotoLyrics.com

Tense atmosphere in the air
Riot written everywhere
Time to go home if you're square
Riot squads coming from over there

Kick their ass until they're dead
CHORUS

I want to be a fascist pig
Riot squad bas their heads
Love to fight what a thrill
I want to be a fascist pig
We don't stop until we kill
We'll just laugh while they stare
Throw a bottle in the air
Put them up to their dare

Let them hit me see if I care

CHORUS
You'll never heal
Get attacked by them

They'll rob your conscience
Your sanity they'll steal
They'll beat your brains until they spill
That's the fascist favorite meal

CHORUS
