M. Muir-M. Clark-

I'm tired of always doing as I'm told

I'm sick of dealing with all you crap  
You pushed me too hard now you'll watch me snap  
Your shit is starting to grow really old

Whack, whack-what's wrong with your head?  
I can't believe a fuckin' word you've said  
Whack, whack-out of you mind  
Whack, whack-what are you dead?  
Permanently done, gone to bed  
I think you'll like it if you try it some time  
Whack, whack-if you look you'll find  
I'm whacked, I'm whacked, I'm whacked-get whacked  
I'm whacked, you're whacked  
Let's go it's whack time

Get whacked-gimme gimme gimme gimme gimme  
some whack time  
Get whacked-all I need, I need, I need,  
I need is some whack time  
Get whacked-get whacked

I'm gonna save my best whack for you  
Ain't nobody gonna tell me what to do  
Bbust out hard in a brand new way  
Now every second is a psycho day

I'm whacked-right down to the core  
I'm whacked-like never before  
I'm whacked-and I don't care no more  
Get whacked-won't you follow me  
I'm whacked, I'm whacked, I'm whacked, I'm whacked  
Get whacked-what fun it'll be  
Get whacked-and do it naturally  
Get whacked, Get whacked, Get whacked, Get  
whacked  
It's whack time!  
Whack time-get whacked  
Whack time

Whack time-get whacked, get whacked, get whacked  
Get whacked, get whacked,  
It's whack time  
Get whacked-I'm whacked, you're whacked, let's go it's  
Get whacked-gimmee, gimmee, gimmee, gimmee,  
whack time  
gimmee some whack time  
Get whacked-all I need, I need, I need, I need is some  
whack time  
Get whacked-get whacked

You don't want none you got the right  
When I get whacked it's not a pretty sight  
One-quarter Scottish, three-quarters insane  
Ay, think I've gone a little flat in the brain

Whack, whack-what you got in your head  
Another word, another lie that you've said  
Whack, whack-your mind is dead  
Permanently done, gone to bed  
This ain't no script, this ain't no picture show  
Whack whack-what do you know?  
Get whacked!  
It's whack time-get whacked!  
Whack, whack-up away you go

Won't see me later you'll see me right now  
If you think I'm crazy I'll show you just how  
I know what's scaring you the most about me  
This mo-fo be getting whacked naturally  
Get whacked
