Quieres chingaso, conmigo, tu lo tienes
Por vida y por muerte Holmes!
Breakdown a motherfuckin' breakdown
Breakdown ain't that a bitch!
If you like magic, here's a trick
Snap my fingers now I'm a lunatic
Ain't no threat straight out fact go head up and you'll
get jacked!
Went to school at U. of Hell, favorite course was kill and
tell
Graduated head of class, majored in kickin' ass
Did hard time to get my Master, wrote the book on
personal
Disaster
I don't need no PhD to be a doctor of fuckin' misery
Psycho's insane, they say I lost my brain, but I gave it
away
If my mind's gone bad don't go off feeling sad cause I
chose
It that way

Cause it's a breakdown, I'm go'n breakdown, I'm gonna
break,
Ain't no you can do
Cause it's a breakdown, a motherfuckin' breakdown,
gonna
Break you in fuckin' two

What you got, come and show me
Think I won't, you don't know me
Live or die, it's all the same, life or death, it's just a
game
Make you an offer you can't refuse, pull out the gat,
sorry you lose
Put a disclaimer on the crypt, sorry Holmes, finger
slipped
I broke a main now it's headed for my brain and my
mind goes
Thumpty thump thump
Pinned shot eyes, don't come as no surprise it ain't no
dance

The bump and the dump

Cause it's a breakdown, I'm go'n breakdown, who said
that
Nightmares don't come true?

Breakdown, Breakdown, Breakdown, Breakdown

Stick out your hand I'll stick out my finger
Kick you in the balls now you're a soprano singer
Rush to my head, whacked and hyper
Now it's time to pay the piper, time to pay the piper
Thought you were smart, now you're lying in a cart, you
ain't
Resting six feet below
Your reservation ain't got no hesitations you don't need
to
Pack no bag where you go

Breakdown, I'm gonna breakdown, I'm gonna break
ain't no you
Can do
Cause it's a breakdown, a motherfuckin' breakdown,
I'm gonna
Break you in fuckin' two

Cruise the streets on a hustle, show 'em what's up, flex
the muscle
Whacked-out mind on a foll, living behind a vioent toll
Don't take no chemist to understand the equation
AK47, a little persuasion
Your fear is like a compliment, now you're the
production of my
Environment
Don't flap no lip, don't shoot that crap
Timebomb for brain don't know when I snap
Breakdown
My strategy I do a psycho attack, you know my set I'm a
maniac
Breakdown
Do as they say when in Rome, blast the sucka then get
home
Breakdown
Concussion to the skull, jugular severed chalk it up
another 187

Breakdown
Breakdown, Breakdown, Breakdown, Breakdown

Jack be nimble, Jack be quick
Fuck you Jack, I be a lunatic
