Louiche/Mike Muir)

I close my eyes, yet I still see

I can not hide from what's inside of me

I hear my thoughts, but they're not clear

And now I tremble with fear

No one can tell me what's sane

CHORUS

You see the tears I cry

I'm a person with feelings

No title can classify me

But you can't feel my pain

Don't try to live my life

You cannot talk for me

Now I'm on the brink, brink of insanity

A number I refuse to be

Sometimes I stare into space

I try to think about another place

Where happiness I'll see

I'll find a place for me and find some sanity

Sometimes I look at you

Will my mind stay intact

And I wonder what will I do

How will I react, will I do any harm to you

Open my eyes, but I can't see

Maybe the hatred has blinded me

Now the pain is so clear

There's not a sound, yet I still hear

CHORUS

Sometimes I stop to think

Doesn't matter anyway

Or maybe my thinking just stops

No one hears what I say, I'm on the brink of insanity

Well I know him but not his name  
In everyone, yet not the same  
Play with the cards i'm dealt, worse I never felt  
I'm playing a sick man's game
