ST ST ST ST ST ST ST ST

I never said I don't like religion-I just don't like TV

You say I got a bad attitude-around you that comes naturally

You say I need more compassion-I can forgive, I just can't forget

You say control my temper-but when I feel like shit, I feel like shit

CHORUS

Cause I was born to be-ST

Not afraid to die-ST

And I'll always be-ST

Don't get down on me-ST

Cause I'm down OG-ST

You gotta carry on-ST

Just you promise me-ST

Yo got to carry on-ST

Why can't I ask any questions if what you say is true

Am I supposed to believe everything-or just everything said by you?

And what did He say?

And how can you call me stupid-when you don't understand what I say

And how can you call me evil-have you spoken to God today-

CHORUS

As long as your heart beats-pledge your allegiance

You can call me ugly-but I still dress the way I choose

How you gonna judge me-you've never taken a walk in my shoes

Why don't you ever trust me when I'm smiling-is it a sin to have fun?

And why should I repent when there's nothin' wrong with anything that I've

done  
CHORUS  
Suicidal Suicidal Suicidal

Pledge your allegiance.....
