Louiche/Mike Muir)

Let's skate!

Seemed like such an innocent toy
Got a skate at eight years old
He was the All-American boy
Now the story can be told

Beware he's possessed to skate!

Skating takes him up in height
He's a pilot on a modern flight
See him flying through the air

If he don't land then he don't care
CHORUS
When he skates-he skates
Cause he never hesitates
Cause he rips-he rips
Like a modern gladiator ain't got no fears
He's the wizard on the wheels
So skate

He shoots the pool like a launching pad
Skating is all that's on his mind
If it ain't insane then you can't get rad
He's skating radical all the time
CHORUS

Beware he's possessed to skate!

Six foot airiels inverts backside
Looks like a magic carpet ride

Optical illusion it must be
He redefines insanity

CHORUS
Doesn't understand why you'd wanna walk
Ain't got time to sit and talk

Used to be just like you and me

Now he's an outcast of society
Beware he's possessed to skate!

And the skating's getting radical
