[Mike Muir]

Start your brain! I'm thinking, man!

Start your brain, start your brain, start your brain, rev it  
up and ride!

Start your brain!  
You got to start your brain!

Start your brain, rev it up and go  
Learn the things that you don't wanna know  
Do the things that you don't wanna do  
It will tell a lot about you

Start your brain, rev it up and ride!  
Start your brain, rev it up and ride!  
Start your brain, rev it up and ride!  
Start your brain, rev it up and ride!

Rev it up and ride!  
Rev it up and ride!

Start your brain, rev it up and ride  
It's been way too long since you have tried  
Take your attitude and give it a rest  
And anything you do, give it your best

Start your brain, rev it up and go  
There's so many things that you don't know  
Don't waste your time trying to impress  
And spend that time cleaning up that mess

Start your brain, rev it up and ride!  
Start your brain, rev it up and ride!  
Start your brain, rev it up and ride!  
Start your brain, rev it up and ride!

Rev it up and ride!  
Rev it up and ride!

[guitar solos]

Start your brain, rev it up and ride!  
Start your brain, rev it up and ride!  
Start your brain, rev it up and ride!  
Start your brain, rev it up and ride!

Rev it up and ride!  
Rev it up and ride!

Start your brain!  
You got to start your brain!

Start your brain, rev it up and ride  
Figure out who you are deep inside  
Take your attitude and give it a rest  
And anything you do, give it your best

So, start your brain, rev it up and ride  
Figure out who you are deep inside  
Take your attitude and give it a rest  
And anything you do, give it your best

Start your brain, start your brain, start your brain and  
ride!
