Sick of people - no ones real
Sick of chicks - they're all bitches
Sick of you - you're to hip
Sick of life - it sucks

Suicide's an alternative

Sick of trying - what's the point
Sick of talking - no one listens
Sick of listening - it's all lies
Sick of thinking - just end up confused
Sick of moving - never get nowhere
Sick of myself - don't wanna live
Sick and tired - and no one cares
Sick of life - it sucks

Sick of politics - for the rich
Sick of power - only oppresses
Sick of government - full of tyrants
Sick of school - total brainwash
Sick of music - top 40 sucks
Sick of myself - don't wanna live
Sick and tired - and no one cares
Sick of life - it sucks

Suicide's an alternative

Sick of life - it sucks
Sick and tired - and no one cares
Sick of myself - don't wanna live
Sick of living - I'm gonna die
SONG: I Shot The Devil

I SHOT REAGAN!!!!!!!!!!!!!!!!!!!!

I shot Reagan, i shot Sadat
I'm gonna shoot you dead in heaven you'll rot
You're gonna rot in heaven, hear an angel's voice
You're too bad for hell although it's your first choice

Rot in heaven, you're too bad for hell

Rot in heaven, cause you're forgiven in hell

I shot Lennon, i shot the Pope
I shot the devil now you aint got no hope

You're gonna rot in heaven, hear an angel's voice
You're too bad for hell although it's your first choice

@SONG: Won't Fall In Love Today

Baby don't be blue
You know that I'll always be true
You know that I'll always love you
And we'll always be together too
