Tippy toe thru broken dreams
There goes a little fucked up piece of my brain
Didn't need it anyhow, didn't use it anyhow no way!
But cured like marinated dried out fuckin piece of meat
My minds been soakin' up so much shit...now it's cured
not like healthy

Don't take no shit from no one
Suicyco muthafucka Suicyco muthafucka
Suicyco muthafucka suicyco muthafucka
Said if you ain't suicidal, you ain't shit

Don't know what was said
But don't know if I like it
Snap crackle pop it just stopped being funny
There's always something funny that ain't funny
But that don't mean your daughter's safe...
I ain't no muthafucker, never had one never really
wanted one
Running thru a place I swear I'd never go smash it wow
Guess that makes me a daugther fucker
Never know it could be so much fun, I remember it now
There's always something funny that just ain't funny
I remember it now...just like it never was

Don't take no shit from no one
Suicyco muthafucka Suicyco muthafucka
Suicyco muthafucka Suicyco muthafucka
I'm suicidal for life!
Suicyco suicyco suicyco muthafucka
Suicyco muthafucka Suicyco muthafucka

Suicyco muthafucka Suicyco muthafucka
Don't take shit from no one
Said if you ain't suicidal, you ain't shit
I got to think in a different way

The old way got me nowhere
I gotta go back to the old way
The new way got me somewhere
But nowhere where I wanted to go or where I belong

I'm tired of people looking at me funny
Not knowing who was in control and who wasn't
Yea I'm not and that's why I'm in control!
Yea fuck it up, fuck it up again, makes things a hell of a
lot simpler
Yea fuck it up, fuck it up again, yea fuck it up, fuck it up
again
Makes things a hell of a lot simpler
Yea fuck it up again, yea fuck it up again!
