War inside my head
War inside my head
War inside my head
War inside my head

It's happened a thousand times before
War inside my head ain't a pretty sight
It's just a harsh reality
But I don't want no sympathy

CHORUS

War inside my head-can you see it
War inside my head-can you sense it
War inside my head
War inside my head-can you feel it
Can you see the-pain
Can you hear the-pain
Can you sense the-pain
Can you help the-pain
Can you fix the-pain
Can you feel the-pain
The only thing real is the way I feel
Can you hear the war inside my head
And there ain't nowhere to hide

And that's the pain that's deep inside
The battle from within is gonna begin

CHORUS

War inside my head every night and day
I never get no piece of mind
It ought to be a sin, I just can't win
And pure hell is all I find
