"Sacred Prayers To Expiation"

In battle with the force of Light

Engaging with dark pride

Eternal battle lies ahead

The church of Christ will die

Christians lead a way of life

In lies and filth and greed

Repent, believe and you'll be saved

Their god forgives the weak

You'll be tormented in fire

Until you vomit your soul

It's an inward desire

To see you writhe 'till dawn

Attack from below

Sanctity to death

Fighting for survival

Fighting 'till the end

Satan, Master, Lord of Darkness lead us to the fight

Satan, Master, Lord of Darkness kill their god tonight

Searching for the sacred prayers that lead to expiation

Sadistic powers gathering above the sacrosanct hill

Taking vengeance on the vulnerable unholy crucifixion

The graves of all these thousand years the truth only
reveal
