"Screams Of Homicide"

Assaulting your mind

Destroying your thoughts

Unable to react from

Pieces of reality

The full moon is bleeding, this is my night

That terrible screams of homicide, bring me back to life

Unholy powers arm my hand

Frozen I'm waiting the final command

My salvation Christ destruction

Just to see him on his knees

Beg for mercy on the cross

Release the power upon Christianity

Satan my master lead me to victory

Demons my warriors come with me

I command you rise from your grave

I command you rise, attack, destroy and kill

Christians sacrificed, priest crucified

Jesus stands unable to save his own sheep

No more prayers to the God, no ceremonies in the church

Only screams of death surround you
